DAY ONE

Full Day

Magic Kingdom at Walt Disney World Resort – Fairytale princesses, mountains of adventure, and a glimpse into the world of tomorrow await visitors to the Magic Kingdom, a theme park original. Spend the day where dreams come true and stories come to life in seven wondrous and enchanting lands. Be sure to spend some time at The New Fantasyland, featuring meet-and-greets with favorite characters and a family-friendly ride aboard the Seven Dwarfs' Mine Train.

Market Street At Celebration – After a full day at the Park, head over to the nearby town of Celebration where the choices of restaurants in the downtown area will take you around the world and back. Choose from Japanese and sushi, fantastic Italian, Thai, and even New England and American diner fare. After dinner, stroll through this charming town's main shopping district, where you'll find a unique collection of shops to include a children's boutique, a specialty toy store, and resort casual clothing stores. For dessert, relax with an ice cream or other sweets while you relax by the water.

DAY TWO

Morning

Boggy Creek Airboat Rides – Take a refreshing ride aboard an airboat skimming over mere inches of water in one of Florida's best bass fishing lakes, Lake Tohopekaliga. Learn about the headwaters to the Everglades and help your guide spot a bald eagle and an alligator or two – or more!
